### DATE FOR YOUR DIARY:

13<sup>th</sup> to 19<sup>th</sup> May — Week of Prayer

20<sup>th</sup> May at 7:00pm Joint FIEC service

### Prayer for our church family.

Ideas for prayer this week:

- Our Tuesday Evening meetings
- The last scheduled meeting of Christianity Explored
- Owen & Beryl, & Sally: Owen's needs have increased so it looks as if he will be moving into Landermeads very shortly.
- Kelly, Claires sister, has been given temporary accommodation after the fire at her home—but its only 2 bedrooms.
- Gill Robins has the opportunity to take follow-up lessons and as assembly at William Lilley school, following the year 1's visit last Tuesday. It would be good if other schools visited us also.
- Yvonne, Hazel Margaret V & Mary who have all recently become great grandparents.

If you would be interested in finding out more about baptism, please speak to Jason. We hope to run some baptism classes in the near future.

## JOINT SERVICE

SUNDAY 20<sup>th</sup> MAY : 7pm : CORNERSTONE CHURCH

### Lise, James, Seth & Grace Mangiza

send us their love and thanks. They really appreciate all the prayers on their behalf, and gifts sent to help them through this difficult time.

James still has not been paid since last August, and it seems unlikely that he

will receive any. So he is trying to develop ways of putting food on the table (which can be a struggle) — but not just for themselves.

Lise is recovering well from the birth of Grace who is lovely (but I am biased!) During her maternity leave she will still be running MOPS (mothers of pre-schoolers) every other Monday.

There also seems to be a little progress with Lise's visa for staying in South Africa. Please continue to pray regarding that. Who knows—one day all the visas and birth certificates and passports might be sorted and they will be able to make a visit to the UK!

We now have two residents parking permits. Both are kept in the TV cupboard in the rear hall. They are on large boards so we remember not to drive off with them!

## Brain and Soul Boosting For Seniors

Themed sessions that provide both cognitive stimulation and spiritual support.

Pray that these sessions will be a real blessing for those who attend.

See Sally or Jo for more information.

*If you would like to contribute financially to the ongoing work of Stapleford Baptist Church, there are some boxes available near the entrances or speak to Phil McGowan. Thank you.*
