Prayer for our church family.

Ideas for prayer this week:

- Praise that Neil's hand is better than it was, that Polly is recovering from her hip operation and Douglas is having some respite care in Queenswood Care Home..
- Peter Bellingham, who has struggled with ill health for quite a while, passed away this week. Some of us will remember his love for the Lord - and we praise Him that Peter is with him in Glory now
- For those people thinking about baptism.
- The four key prayer points from the Prayer Week:
 - a church worker
 - the children and young people's work
 - the porch
 - our finances
- June is still not well. Please pray for her.
- Let's remember our church children, and our family children & grandchildren as they start their summer holidays. May they be kept safe, have fun, & have opportunities to learn about Jesus.
- A prayer letter is available from the Mangiza's, the Parmenters.
- Preparation for the re-formed Childrens and Youth groups starting in September.

An exciting new joint churches initiative gathering local Christians to prayer walk round Stapleford.

Just come along - let's unite in prayer and make a difference in our town!

If you are of a certain age and you were at SBC in the 70's and 80's you may well remember that we supported Margaret Lowe who was a missionary in the Philippines and lived out her retirement there. David Wells has heard that she has passed away.

If you would like to contribute financially to the on-going work of Stapleford Baptist Church, there are some boxes available near the entrances or speak to Phil McGowan. Thank you.
