## New Constitution for SBC ?

To maintain the charitable status of SBC, the church's constitution needs revision. Members of SBC will have to agree a new constitution so that an application to the Charity Commissioners can be made. It is hoped that this can be achieved at the next Church Members' Meeting on October 3<sup>rd</sup>.

## Church Family News for Prayer

Please continue to pray for those with on-going health problems. Some still manage to attend the morning services, while others are at home or in a home.

### Some prayer points from Rachel Dunn

- ◆ prep work for university next term
- ◆ Christian Union plans for next term
- ◆ Christian Union Freshers Getaway: this is " a few days of connecting" with the freshers coming up to Cambridge before term starts, encouraging them that living for Jesus is really good, exciting and 100% worth it. It needs lots of planning and lots of prayer & dependence on God. Please pray that freshers would come.

**Lise & James Mangiza** have had a difficult week particularly concerning one of the interns at Kloof Baptist Church, who was part of the childrens and young peoples ministry team. Lise has been working with him recently. However last week he was taken ill, and sadly he died. Lise txted: "We are all a little shaken. He was an amazing young man... he led his family from age 13 when his mum passed away. He set up a foundation to help other child-led families with education, food, farming and financial budgeting. He recently started a group for teen mums." And Lise was going to help him mentor these young mums. The funeral was yesterday, Saturday

A new rota is on the board for Sunday Morning Refreshments.

Help! We need volunteers for 5th Sundays in the

month. Please see Alison Legge if you can help. Thanks
