

KOSMIC at home

If you are in KOSMIC, ask a grown up to help you with some of these activities, reflections, songs and challenges so you can keep learning about God throughout the week.

1

Think about water. What is it like?
How many different ways do we use it?
How much do you drink every day?
Do you still get thirsty? Why?
What do you do when you're feeling lonely? Do you ever think of Jesus as a friend?
Do you think that Jesus only loves good people? What if you make a mistake?

2

Learn from the Bible

What is a well?
When is the hottest time of the day?
When would you go to get water?

Jesus met a woman at the well. Watch what happened.
<https://www.youtube.com/watch?v=6Vf3rqnoG5c>

I wonder... why was the woman alone?
I wonder... how the woman felt?
I wonder... how the woman felt when Jesus talked with her?

Even though the woman had done wrong things, Jesus loved her. When the woman realised that, she wanted to tell everyone all about Jesus.

How does Jesus feel about you?
What does that make you do?

Respond

Jesus talked with the Samaritan Woman and showed her how much he loved her, even though she had made mistakes. Talk to God about how he sees you. You might want to tell a grown up what you thought.

Who is this Man?

Challenge

Talk to someone about Jesus - There's a God-shaped hole in all of us. Talk to someone (a youth leader, a family member) about how they used to fill that hole and how they fill it now.

The Bible Bit

Think about the story of the Samaritan Woman.

How was the woman's life changed after talking with Jesus? Do you think that Jesus could change your life? How?

Why is Jesus like 'living' water that never runs out?
