

Stapleford Baptist Church at home

Whatever your age, have a go at some of the activities, reflections, songs and challenges to help you to keep learning about God throughout the week.

How many of your Christmas gifts can you recall? Could you write some thank you messages? Send us a photo. You might want to do a wordsearch or some colouring.

Reflect on ideas from the Magi

In 2019, the average family spent £900 more in December than in other months. The average Brit spends £1116 at Christmas; £381.60 on gifts and £159.90 on food. (YouGov)

Following Jesus can be costly: the Magi put all they had into finding Jesus. They went on a long journey and they gave expensive gifts. They didn't hold back. And God revealed Himself to them in an amazing way, through the star which guided them to Jesus.

God says: "You will seek Me and find Me, when you search for Me with all your heart." (Jer. 29:13)

Challenge

Talk to someone about Jesus - The Magi, were wise and important, yet they still realised that there was more to their story. Talk with someone (a youth leader or a family member) about how they to find out more about Jesus - what questions they asked and what answers they received.

The Magi brought Jesus gifts. Can you remember all your Christmas gifts? Could you write some thank you messages.

Or you might want to make notes during the talk or do some colouring.
