

KOSMIC at home

If you are in KOSMIC, ask a grown up to help you with some of these activities, reflections, songs and challenges so you can keep learning about God throughout the week.

1

What does it mean to have hope?

If someone tells you something, how does it feel if they give you a reason? Is it better if they give you a reason?

3

We can trust and hope in God because of all the things he has done. He always keeps his promises.

Watch the video that reminds us of God's story. It tells us that God has been faithful from the beginning of the world and we can hope in him. He gives us a good reason to hope in him.

Learn from the Bible

Find 1 Peter 3: 13-17 in your 'Follow Jesus with Peter' book.

Today Peter reminds us that it's good to know what to say to someone if they ask you why you have hope.

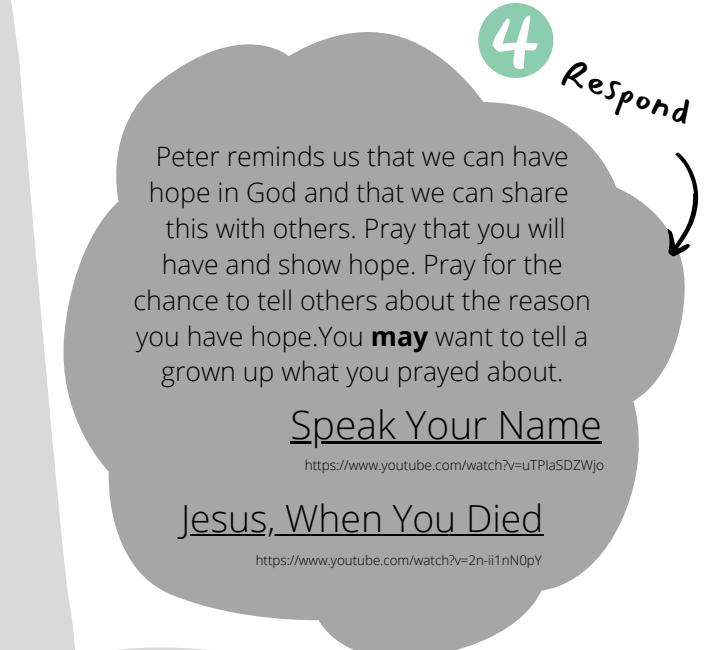

Watch this video that reminds us what hope really means. Hoping in Jesus is different from hoping that something good might happen.

Challenge

Talk to someone about Jesus - God wants us to have something to say when people ask about him and why we have hope. Ask someone what they would tell their friends or family who might ask. What do they think the most important thing to say is?

We are thinking about: 1 Peter
